COMMISSION IMPLEMENTING DECISION

of 18.11.2022

on an exceptional assistance measure regarding Sri Lanka

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) Sri Lanka is facing an unprecedented political, economic, social, as well as a looming food security crisis. Following massive disruption to people's livelihoods and access to health services, caused by shortages of fuel, gas, key commodities and medicines, as well as rocketing inflation, Sri Lankans demanded the resignation of the President and his government. The level of public discontent and frustration in the country remains high with the risk of escalation into violence. The present situation makes it necessary to adopt an exceptional assistance measure regarding Sri Lanka.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to support some of the most vulnerable communities in the North-Western and Western provinces of Sri Lanka to resolve conflict peacefully, to prevent the escalation of violence and to provide renewed economic prospects for individuals and households in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.

- (5) In accordance with points (a) and (g) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will strengthen peaceful conflict resolution and trust through locally tailored initiatives including the promotion of social cohesion and violence prevention dialogues. Community resilience will be built through the establishment and strengthening of community-led conflict analysis and conflict early warning systems, and the provision of peaceful alternatives to resolve conflict. The measure will also aim to increase income opportunities and economic stabilisation of vulnerable households and communities through skills training, career guidance and job-seeking support, as well as the revitalisation of micro and small enterprises.
- (6) The effectiveness of the Union response to the situation referred to in recital (1) depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Sri Lanka. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947,

HAS DECIDED AS FOLLOWS:

Article 5
Flexibility clause

Increases or decreases of up to EUR 10 million and not exceeding 20% of the contribution set in the first paragraph of Article 2 or cumulated changes⁴ to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of the Financial Regulation provided that these changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
