# COMMISSION IMPLEMENTING DECISION

of 13.12.2021

## on an exceptional assistance measure regarding Lesotho

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009<sup>2</sup>, and in particular Article 23(6) thereof,

Whereas:

- (1) Since independence, Lesotho has had a history of cyclic instability and a volatile political environment. Following recommendations by the Southern African Development Community (SADC), the Government of Lesotho, with support from the United Nations, the Delegation of the European Union and other stakeholders, initiated a national dialogue and reform process with a view to stabilise Lesotho. A major immediate intervention to end impunity and stabilise the security sector is to ensure impartial investigations and fair trial of security sector related crimes. This action will specifically support the seconding of foreign judges to the High Court of Lesotho to preside over trials involving high-profile defendants in security related criminal cases. The present situation makes it necessary to adopt an exceptional assistance measure regarding Lesotho.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 TFEU.
- (4) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 TFEU

- (5) The objective of the measure set out in this Decision is to support political stability in Lesotho, in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.
- (6) In accordance with points (d) and (e) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will focus on assisting Lesotho to implement obligations arising from the SADC Phumapi Commission of Inquiry regarding high-profile cases and increasing confidence and public trust in independent and impartial prosecution of former security service personnel accused of crimes in Lesotho.
- (7) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (9) The measure provided for in this Decision is consistent with the Union strategic policy framework for Lesotho. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (10) In order to carry out the activities detailed in the Annex, it is necessary to use indirect management for the implementation of the measure.
- (11) The Commission is to ensure a level of protection of the financial interests of the Union with regard to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) of the Financial Regulation before a contribution agreement can be signed.
- (12) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (13) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (14) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947,

HAS DECIDED AS FOLLOWS:

If the implementation of this measure or any of its components is suspended owing to 'force majeure' or circumstances beyond the control of the contracting authority and its implementing partner(s), the period of suspension shall not be taken into account for the calculation of the duration of the implementation of this measure.

*Article 5*  
*Flexibility clause*

Increases or decreases of up to EUR 10 million not exceeding 20% of the contribution set in the first paragraph of Article 2 or cumulated changes to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of the Financial Regulation provided that these changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
