COMMISSION IMPLEMENTING DECISION

of 18.8.2023

on an exceptional assistance measure regarding Somalia

COMMISSION IMPLEMENTING DECISION

of 18.8.2023

on an exceptional assistance measure regarding Somalia

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) Since the start of the popular uprising and security operations against al-Shabaab in Somalia in August 2022, more territory has been liberated than in the previous decade. At the same time, Somalia has been affected by the most severe drought in its history and recently by flash floods caused by heavy rains. This has led to mass displacement, malnutrition, the destruction or damage of critical infrastructure and loss of livelihoods. A second phase of the security operations is about to be launched and there is an urgent need to swiftly stabilise conditions in newly liberated areas, consolidate peace, and increase confidence toward nascent governance structures. The Federal Government has made the rehabilitation of wells and infrastructure a priority for the first phase of rapid stabilisation in newly liberated areas. On 2 May 2023, the Federal Government of Somalia and the EU have launched a “Joint Operational Roadmap” aimed to deepen security cooperation between the EU and Somalia, including in the area of stabilisation in newly liberated areas. The present situation makes it necessary to adopt an exceptional assistance measure regarding Somalia.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 (‘the Financial Regulation’) establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.

- (4) The objective of the measure set out in this Decision is to support rapid stabilisation in newly liberated areas in Somalia in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.
- (5) In accordance with points (a), (f), (g), (o) and (p) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will implement a climate-sensitive stabilisation in newly liberated areas in Somalia, focusing on basic water and food production. This will entail support to community-driven, government-led and ecologically viable public water infrastructure and services. It will also entail support to conflict-sensitive and sustainable natural resource management and inclusive economic development as well as the dissemination of lessons learned.
- (6) The effectiveness of the Union response to the situation referred to in recital (1) depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Somalia. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) In order to ensure the effective implementation of the programme, it is necessary to use indirect management for the implementation of the measure.
- (10) The Commission is to ensure a level of protection of the financial interests of the Union with regard to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation⁴ and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) thereof before a contribution agreement can be signed.
- (11) The Commission should authorise the eligibility of costs as of a date preceding that of submission of a proposal, which is prior to the date of adoption of this Decision, for reasons of extreme urgency in crisis management aid or in situations of imminent or immediate danger to the stability of Somalia, including by an armed conflict, where an early engagement of the Union may prevent an escalation.
- (12) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (13) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (14) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947,

⁴ Except for the cases set out in Article 154(6) of the Financial Regulation, where the Commission may decide not to require an ex-ante assessment.
