COMMISSION IMPLEMENTING DECISION

of 25.11.2022

on an exceptional assistance measure regarding Belize and Guatemala

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) A window of opportunity has emerged in the protracted territorial dispute between Belize and Guatemala, with the International Court of Justice set to conclude the first step of the legal procedure by mid 2023. This is a critical moment in a dispute which dates back to the 19th century, and which has witnessed several incidents of violence that have exacerbated tensions between the communities settled along the border area, affecting the parties' diplomatic relations. The establishment of an office of the Organization of American States in 2003 was, and continues to be, instrumental in mitigating tensions, preventing violent incidents and creating conditions for continued dialogue and political engagement in support of confidence building measures established between the parties. The European Union has supported the Organization of American States since 2012. Continued support at this juncture is essential to ensure the process is not derailed and that the Organization of American States can continue its conflict prevention and preventive diplomacy activities. The present situation makes it necessary to adopt an exceptional assistance measure regarding Belize and Guatemala.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.

¹ OJ L 193, 30.7.2018, p. 1.

² OJ L 209, 14.6.2021, p. 1.

- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to enhance the peace and stability conditions in the Adjacency Zone of Belize and Guatemala in view of a final settlement of their territorial, insular and maritime dispute in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.
- (5) In accordance with point (a) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will include identifying and monitoring drivers of conflict, investigating and verifying incidents and proposing mediation options, strengthening dialogue and relations between the parties, raising the awareness of communities and key stakeholders, and providing technical and vocational training to community members.
- (6) The effectiveness of the Union response to the situation referred to in recital (1) depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Belize and Guatemala. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947,

HAS DECIDED AS FOLLOWS:

Article 5
Flexibility clause

Increases or decreases of up to EUR 10 million and not exceeding 20% of the contribution set in the first paragraph of Article 2 or cumulated changes⁴ to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of the Financial Regulation provided that these changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
