COMMISSION IMPLEMENTING DECISION

of 7.12.2021

on an exceptional assistance measure regarding Venezuela

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) The current situation in Venezuela continues to be highly volatile and rapidly changing, with far reaching consequences for the region. The recent talks in Mexico between the Venezuelan government and a range of political opposition parties facilitated by Norway and accompanied by international guarantor countries offer a window of opportunity for a negotiated solution. Nevertheless, major challenges remain and the role of the international community, including the European Union, remains essential. Protecting and strengthening this fragile space for consensus building to progress towards a peaceful negotiated solution is crucial for the country itself, as well as for the region. The present situation makes it necessary to adopt an exceptional assistance measure regarding Venezuela.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to help bring greater stability, inclusion and conditions for a sustainable transition in Venezuela in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) No 2021/947.

- (5) In accordance with points (a) and (e) of Annex IV, paragraph 1, second paragraph of Regulation (EU) No 2021/947, the activities set out in this Decision will focus on generating analysis and policy recommendations concerning issues surrounding the negotiations and future transition in Venezuela; creating independent spaces of local reflection, brainstorming and idea formulation through regular meetings of the Venezuela Expert Group; and assisting the group in channelling and promoting its most important ideas to key national and international audiences including policy-makers, civil society and the general public.
- (6) The effectiveness of the Union response to the situation referred to in recital (1) depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) No 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) No 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Venezuela⁴. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) No 2021/947,

HAS DECIDED AS FOLLOWS:

Article 1

If the implementation of this measure or any of its components is suspended owing to 'force majeure' or circumstances beyond the control of the contracting authority and its implementing partner(s), the period of suspension shall not be taken into account for the calculation of the duration of the implementation of this measure.

Article 5

Flexibility clause

Increases or decreases of up to EUR 10 million not exceeding 20% of the contribution set in the first paragraph of Article 2 or cumulated changes to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046 provided that these changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
