# COMMISSION IMPLEMENTING DECISION

of 18.8.2022

## on an exceptional assistance measure regarding Ethiopia

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009<sup>2</sup>, and in particular Article 23(6) thereof,

Whereas:

- (1) More than 16 months after the start of the Tigray conflict, the Government of Ethiopia declared a unilateral, indefinite humanitarian truce on 24 March 2022, which was reciprocated by a statement on cessation of hostilities by the Tigrayan authorities. The conflict has had a detrimental effect on the civilian population, including in the bordering regions of Afar and Amhara, and a disproportionate impact on women and girls. Agriculture and livestock production has been reduced and water supply and irrigation infrastructure damaged, aggravating an already precarious food security situation. Cases of sexual and gender-based violence have been reported. Violence and conflict between rebel groups and federal, as well as regional, government forces have escalated in the Western Oromia/Benishangul-Gumuz border region. This has caused large-scale displacement and damage to civilian settlements. Unemployment, food shortages and high inflation are driving recruitment to armed rebel groups and there is a lack of peacebuilding and dialogue efforts among the conflicting groups. The present situation makes it necessary to adopt an exceptional assistance measure regarding Ethiopia.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.

<sup>2</sup> OJ L 209, 14.6.2021, p. 1.

- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to support relief and reconciliation of conflict-affected communities and increased capacity of civil society in peacebuilding in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) No 2021/947.
- (5) In accordance with points (a), (b), (e), (g), (l), (m), (n), (q) of Annex IV, paragraph 1, second paragraph of Regulation (EU) No 2021/947, the activities set out in this Decision will increase gender-sensitive relief, recovery and reconciliation activities and improve access of sexual and gender-based violence survivors to justice, legal aid and support services in Northern Ethiopia as well as strengthen community resilience, conflict prevention and conflict resolution mechanisms in Western Ethiopia. The activities will also include support to capacity building, networking and resourcing of local peacebuilding civil society organisations.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) No 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) No 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Ethiopia. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) No 2021/947,

HAS DECIDED AS FOLLOWS:

*Article 5*  
*Flexibility clause*

Increases or decreases of up to EUR 10 million not exceeding 20% of the contribution set in the first paragraph of Article 2 or cumulated changes to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of the Financial Regulation provided that these changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
