COMMISSION IMPLEMENTING DECISION

of 13.12.2023

on the financing of the action plan on Rapid Mechanism to support EU External Action for 2023

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Whereas:

(1) In order to ensure the implementation of the action plan on Rapid Mechanism to support EU External Action for 2023, it is necessary to adopt a financing decision, which constitutes the work programme, for 2023. Article 110 of Regulation (EU, Euratom) 2018/1046 (‘the Financial Regulation’) establishes detailed rules on financing decisions.

(2) The envisaged assistance is to comply with the conditions and procedures set out by the restrictive measures adopted pursuant to Article 215 TFEU³.

(3) The objectives pursued by the action plan to be financed under the Regulation (EU) 2021/947 are to enable the EU to address short and medium-term foreign policy needs and opportunities and to respond to a dynamic and fast-changing foreign policy environment that the EU has been and remains confronted with.

(4) The action plan aims to implement a rapid response action, pursuant to Article 23(5) of Regulation (EU) 2021/947, and is justified by the imperative foreign policy interest for the EU to respond quickly to emerging foreign policy needs.

(5) The action entitled ‘Rapid Mechanism to support EU External Action’ aims to uphold and promote the European Union’s values, principles and fundamental interests worldwide in order to pursue the objectives and principles of the EU’s external action.

(6) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.

(7) In order to allow for flexibility in the implementation of the action plan, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.

(8) The action plan provided for in this Decision does not fall within the categories of action plans for which the prior opinion of the Committee is required. The European Parliament and Committee established under Article 45 of Regulation (EU) 2021/947 should be informed of this Decision within one month following its adoption.
