COMMISSION IMPLEMENTING DECISION

of 3.7.2023

on an exceptional assistance measure regarding Central Asia

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) Many family members of foreign terrorist fighters³ are detained in poor living conditions in camps primarily in North East Syria and Iraq. Several countries in Central Asia have repatriated their citizens from conflict zones and an increased number of returning citizens is now expected, especially in Tajikistan and Kyrgyzstan. The respective governments are in need of urgent and sustained support to respond to reintegration and rehabilitation needs of returning fighter families, in particular women and children, and their extended family. The present situation makes it necessary to adopt an exceptional assistance measure to support the Central Asian countries affected by this crisis.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures⁴ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to support Central Asian countries in the reception, reintegration and rehabilitation of the families of foreign

terrorist fighters coming back from the conflict zones in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.

- (5) In accordance with points (l), (m) and (p) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will assist countries in Central Asia, with a focus on Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan, both at policy and operational level, to develop human rights compliant systems for reception, reintegration and rehabilitation of returning families.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Central Asia. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) In order to ensure the rapid implementation of this action in coordination with relevant stakeholders including public authorities in selected countries, it is necessary to use indirect management for the implementation of the measure.
- (10) The Commission is to ensure a level of protection of the financial interests of the Union with regard to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation⁵ and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) thereof before a contribution agreement can be signed.
- (11) The Commission should authorise the eligibility of costs as of a date preceding that of submission of a proposal, which is prior to the date of adoption of this Decision, for reasons of extreme urgency in crisis management aid or in situations of imminent or immediate danger to the stability of relevant countries in Central Asia (Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan), including by an armed conflict, where an early engagement of the Union may prevent an escalation.
- (12) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (13) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (14) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947.

⁵ Except for the cases set out in Article 154(6) of the Financial Regulation, where the Commission may decide not to require an ex-ante assessment.
