# COMMISSION IMPLEMENTING DECISION

of 15.11.2023

## on an exceptional assistance measure regarding Egypt

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009<sup>2</sup>, and in particular Article 23(6) thereof,

Whereas:

- (1) The violent conflict that erupted in Sudan in April 2023 has so far forced around 5.3 million persons to flee their homes as internally displaced or as refugees and returnees to neighbouring countries. By early September 2023, UNHCR had registered newly arrived refugees, asylum seekers and returnees in Ethiopia (35 000), South Sudan (248 500), Central African Republic (18 000), Chad (403 000) and Egypt (287 000). Most arrivals in Egypt have so far been women, children and elderly persons. While the response to these new arrivals has generally been positive, the influx creates additional pressure on local communities which is also highlighted in the response plans of international organisations active in the country. They have identified concrete needs both for displaced and host communities as well as measures to ensure that tensions between them do not rise. The present situation makes it necessary to adopt an exceptional assistance measure regarding Egypt.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to reduce tension and to promote peaceful co-existence between host communities and refugees fleeing conflict in Sudan in

order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.

- (5) In accordance with points (l), (m) and (p) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will aim at ensuring that tensions between refugees and host communities are low through actions targeting both communities. This will include vocational and skill building programmes as well as facilitating access to financial services and micro-grants for the establishments of income generating activities, particularly in low-income and underprivileged areas.
- (6) The effectiveness of the Union response to the situation referred to in recital (1) depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Egypt. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) In order to work with the mandated UN agencies, it is necessary to use indirect management for the implementation of the measure.
- (10) The Commission is to ensure a level of protection of the financial interests of the Union with regard to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation<sup>4</sup> and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) thereof before a contribution agreement can be signed.
- (11) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (12) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (13) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947.

*Article 5*  
*Flexibility clause*

Increases or decreases of up to EUR 10 million and not exceeding 20% of the contribution set in the first paragraph of Article 2 or cumulated changes<sup>5</sup> to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of the Financial Regulation provided that these changes do not significantly affect the nature and objectives of the actions.
