COMMISSION IMPLEMENTING DECISION

on an exceptional assistance measure regarding Ukraine

COMMISSION IMPLEMENTING DECISION

of 22.8.2023

on an exceptional assistance measure regarding Ukraine

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) Since the start of the full-scale Russian military invasion of Ukraine more than 16 months ago, the Government of Ukraine and Ukrainian civil society have demonstrated resilience and response capacity to the war of aggression at all levels. In addition to ensuring successful defence and immediate recovery efforts, Ukrainians have had to respond to the needs of people both fleeing and living in areas temporarily under Russian occupation. Both at the national and international level, the Office of the Prosecutor General (OPG), the International Criminal Court and the members of the Joint Investigation Team (JIT) continue to investigate and prosecute international crimes committed in Ukraine, including war crimes. In addition, already since the illegal annexation of Crimea and the city of Sevastopol by the Russian Federation in 2014, both the Government of Ukraine and Ukrainian civil society organisations have sought to address further justice needs such as support to social cohesion and assistance to the victims. The present situation makes it necessary to adopt an exceptional assistance measure regarding Ukraine.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.

- (4) The objective of the measure set out in this Decision is to strengthen governmental and civil society initiatives aimed at sustaining justice, social cohesion and resilience in Ukraine in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.
- (5) In accordance with points (a), (e) and (f) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will include support to governmental and civil society initiatives to strengthen their effectiveness in sustaining social cohesion and resilience in Ukraine and ensure accountability for international crimes committed during the Russian war of aggression.
- (6) The effectiveness of the Union response to the situation referred to in recital (1) depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Ukraine. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) The Commission should authorise the eligibility of costs as of a date preceding that of submission of a grant application, which is prior to the date of adoption of this Decision, for reasons of extreme urgency in crisis management aid or in situations of imminent or immediate danger to the stability of Ukraine, including by an armed conflict, where an early engagement of the Union may prevent an escalation.
- (10) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (11) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (12) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (13) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947,

HAS DECIDED AS FOLLOWS:

Article 1
The measure

The financing decision for the implementation of the exceptional assistance measure regarding Ukraine, for 2023, as set out in the Annex, is adopted.

The measure shall include the following action:

Strengthening governmental and civil society initiatives aimed at sustaining justice, social cohesion and resilience in Ukraine, set out in the Annex.

Article 2
Union contribution

The maximum Union contribution for the implementation of the measure for 2023 is set at EUR 11 200 000 and shall be financed from the appropriations entered in the budget line 14 02 03 10 of the general budget of the Union.

The appropriations provided for in the first paragraph may also cover interest due for late payment.

Article 3
Grants

Grants may be awarded without a call for proposals in accordance with the conditions set out in point 6 of the Annex. Grants may be awarded to the body/bodies selected in accordance with point 6 of the Annex.

For reasons of extreme urgency, the eligibility of costs prior to the submission of a grant application and which is prior to the date of adoption of this Decision shall be authorised as of the dates set out in the Annex.

Article 4
Duration of the measure

The maximum duration of the exceptional assistance measure adopted under this Decision shall be 18 months. The authorising officer responsible may decide to extend this period twice by a further period of up to six months, up to a total maximum duration of 30 months, under the conditions laid down in Article 23(6) of Regulation (EU) 2021/947.

If the implementation of this measure or any of its components is suspended owing to ‘force majeure’ or circumstances beyond the control of the contracting authority and its implementing partner(s), the period of suspension shall not be taken into account for the calculation of the duration of the implementation of this measure.

Article 5
Flexibility clause

Increases or decreases of up to EUR 10 million and not exceeding 20% of the contribution set in the first paragraph of Article 2 or cumulated changes⁴ to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of the Financial Regulation provided that these changes do not significantly affect the nature and objectives of the actions.

⁴ These changes can come from assigned revenue made available after the adoption of the financing decision.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
