COMMISSION IMPLEMENTING DECISION

of 16.9.2022

on an exceptional assistance measure regarding Yemen

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) More than seven years of fighting in Yemen has seen tens of thousands of civilians killed and has left approximately 23.4 million people (almost 80% of the population) in need of assistance. Recognising the urgent need to de-escalate violence and to address humanitarian and economic needs, all warring parties in Yemen agreed to a two-month truce, brokered and announced by the UN Special Envoy of the Secretary-General for Yemen. The truce started on 2 April 2022, and was extended on 2 June for an additional two months and again on 2 August until 2 October. However, the truce remains fragile. There are continued acts of violence which compromise civilian trust in the peace process and lead to disengagement from consultations by the parties. The present situation makes it necessary to adopt an exceptional assistance measure regarding Yemen.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to support the monitoring of conflict parties' adherence to the truce, in preparation for an eventual longer-term

cessation of violence in Yemen in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.

- (5) In accordance with points (a), (d) and (n) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will support the further development of conflict resolution tools to enable more evidence-based decision-making, de-escalation and mediation using input from conflict participants, third-party monitors, and relevant open media.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Yemen. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947,

HAS DECIDED AS FOLLOWS:
