# COMMISSION IMPLEMENTING DECISION

of 18.8.2021

## on an exceptional assistance measure regarding Lebanon

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation (EU) No 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009<sup>2</sup>, and in particular Article 23(6) thereof,

Whereas:

- (1) Lebanon is going through a deep political, socio-economic and financial crisis which, coupled with the Syrian refugee situation, is increasing the risk of instability and is further deepening cleavages and mistrust. Current localised protests and public anger, combined with unmet needs and expectations after the 4 August 2020 Beirut port blast, might escalate and carry serious security implications. The present situation makes it necessary to adopt an exceptional assistance measure regarding Lebanon.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to support Lebanese society to re-establish trust and dialogue and to develop concrete, local level options and suggestions for short- and mid-term change that can be implemented despite the current political, socio-economic and financial crisis, in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) No 2021/947.

- (5) In accordance with points (a), (g) and (q) of Annex IV, paragraph 1 of Regulation (EU) No 2021/947, the activities set out in this Decision will include creating or supporting platforms and enhancing discussions around a joint vision for the future of Lebanese society, its political and economic systems and common values; involving Lebanese civil society organisations, community representatives, the cultural and business sector and local administrations in discussions around service delivery, transparency, and local governance, with a view to developing concrete recommendations and proposals to be implemented despite the challenging situation.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) No 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an adequate and effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) No 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Lebanon. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) No 2021/947,

Cumulated changes to the allocations of the maximum Union contribution not exceeding 20 % of the contribution set in the first paragraph of Article 2 of this Decision, or cumulated changes to the allocations of specific actions not exceeding 20 % of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046 where those changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
