# COMMISSION IMPLEMENTING DECISION

of 19.8.2022

## on an exceptional assistance measure regarding Cameroon

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009<sup>2</sup>, and in particular Article 23(6) thereof,

Whereas:

- (1) The vulnerability of local populations in the crisis-affected North West and South West regions of Cameroon, where access to both basic services and health infrastructure is limited, has been exacerbated by the impact of COVID-19. The security situation has been steadily deteriorating in the two mainly English-speaking provinces since November 2017. Destruction of infrastructure, including water supply, has put local populations under serious strain, disrupting livelihood assets and activities. Health facilities remain insufficient to serve the highly vulnerable population. In addition to the COVID-19 pandemic, in October 2021, a cholera outbreak started in the South West. In this context, the overall socio-economic impact of the epidemics has a potential to further escalate the crisis. The present situation makes it necessary to adopt an exceptional assistance measure regarding Cameroon.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to mitigate needs of crisis affected people in the South West and North West regions of Cameroon, in order to

remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.

- (5) In accordance with points (a), (g) and (r) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will enhance the capacity of Internal Displaced People (IDPs), returnees and host populations to prevent and address conflict, as well as to support dispute resolution mechanisms. Vulnerable people affected by the crisis will improve their economic well-being through access to food, increased food production and restoration of livelihoods activities and to basic services as water, sanitation and hygiene, reducing the risks associated with COVID-19 and cholera as well as strengthening water and resource management.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Cameroon. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947,
