on an exceptional assistance measure regarding Libya

COMMISSION IMPLEMENTING DECISION

of 19.8.2021

on an exceptional assistance measure regarding Libya

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) After ten years of armed conflict and division, a ceasefire agreement was signed on 23 October 2020, followed by the formation of a Government of National Unity on 10 March 2021. To seize this window of opportunity and for the political process to continue, it is necessary to address some of the main challenges the country is facing. Support for the preparation of elections scheduled for December 2021, including assistance in identifying and addressing mis- and disinformation is needed in order to strengthen the fragile political and institutional context. It is also necessary to support the unification of the security sector through the establishment of a Joint Police Force to fill the security vacuum in the country and to reinforce the implementation of the ceasefire. The present situation makes it necessary to adopt an exceptional assistance measure regarding Libya.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to continue to support the country's stabilisation following the formation of the Government of National Unity

and to support the prospect of elections as well as the security sector reform, in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.

- (5) In accordance with points (d), (n), (q) of Annex IV, paragraph 1, of Regulation (EU) 2021/947, the activities set out in this Decision will include developing the capacity of the High National Elections Commission to prepare and administer inclusive and credible elections; social media monitoring for identifying misinformation and extremist content on social media and reporting on it; assisting the newly established Joint Police Force with capacity building in strategic planning and the development of its organisational structure, while providing training, mentoring and equipment.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an adequate and effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Libya. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) In order to build on the existing funding to the preparation of elections in support of the United Nations led political process, it is necessary to use indirect management for the implementation of the measure.
- (10) The Commission is to ensure a level of protection of the financial interests of the Union with regard to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of Regulation (EU, Euratom) 2018/1046. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of Regulation (EU, Euratom) 2018/1046⁴ and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) of Regulation (EU, Euratom) 2018/1046 before a contribution agreement can be signed.
- (11) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (12) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.
- (13) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.
- (14) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947.

⁴ Except for the cases set out in Article 154(6) of Regulation (EU, Euratom) 2018/1046, where the Commission may decide not to require an ex-ante assessment.

If the implementation of this measure or any of its components is suspended owing to 'force majeure' or circumstances beyond the control of the contracting authority and its implementing partner(s), the period of suspension shall not be taken into account for the calculation of the duration of the implementation of this measure.

Article 6
Flexibility clause

Cumulated changes to the allocations of the maximum Union contribution not exceeding 20 % of the contribution set in the first paragraph of Article 2 of this Decision, or cumulated

changes to the allocations of specific actions not exceeding 20 % of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046 where those changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
