COMMISSION IMPLEMENTING DECISION

of 18.8.2021

on an exceptional assistance measure regarding Ethiopia

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) No 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU, and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) Eight months after the start of the crisis in Ethiopia's Tigray region, the security situation in the area remains volatile with continued reports of active hostilities, abuses against civilians, forced displacement, abductions and sexual and gender-based violence, allegedly perpetrated by various parties to the conflict. Basic services are often disrupted and the conflict has destroyed the livelihood of entire communities. Over 5 million people are estimated to require emergency assistance, close to 2 million people are internally displaced. Estimates regarding the level of food insecurity and famine vary. The analysis of the Integrated Food Security Phase Classification issued in June 2021 found that over 350 000 people are facing famine. Separate humanitarian needs assessments estimate that as many as 900 000 people could soon be facing famine-like conditions. Currently, the availability of assistance and relief for the population is severely curtailed and also independent assessment and monitoring are hampered by a lack of access. The impact of violence and trauma on the population is significant, fuelling further resentment, and deepening divisions. Ethnic fragmentation and conflict are also increasing in other regions of Ethiopia. In addition there are only limited peace education initiatives targeting children and youth in Ethiopia. The present situation makes it necessary to adopt an exceptional assistance measure regarding Ethiopia.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.

¹ OJ L 193, 30.7.2018, p. 1.

² OJ L 209, 14.6.2021, p. 1.

- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to support relief for and resilience of conflict affected communities in Tigray as well as peace education for children and youth in Ethiopia in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) No 2021/947.
- (5) In accordance with points (a), (b), (g), (l) and (m) of Annex IV, paragraph 1, of Regulation (EU) No 2021/947, the activities set out in this Decision will support increased food production, create access to basic hygiene and sanitation infrastructure and services, and support the distribution of multi-purpose assistance. The activities will also include the re-establishment and strengthening of comprehensive services for victims of sexual and gender-based violence as well as mental health and psychological support in Tigray. The Decision will also support the production and implementation of gender-transformative peace education campaigns and advocacy for children and youth in Ethiopia.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) No 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an adequate and effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) No 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Ethiopia. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) The Commission should authorise the eligibility of costs as of a date preceding that of submission of a grant application, which is prior to the date of adoption of this Decision, for reasons of extreme urgency in crisis management aid or in situations of imminent or immediate danger to the stability of Ethiopia, including by an armed conflict, where an early engagement of the Union may prevent an escalation.
- (10) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (11) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.
- (12) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.
- (13) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) No 2021/947.

Flexibility clause

Cumulated changes to the allocations of the maximum Union contribution not exceeding 20 % of the contribution set in the first paragraph of Article 2 of this Decision, or cumulated changes to the allocations of specific actions not exceeding 20 % of that contribution, as well

as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046 where those changes do not significantly affect the nature and objectives of the actions.
