on an exceptional assistance measure regarding Bangladesh

COMMISSION IMPLEMENTING DECISION

of 18.8.2021

on an exceptional assistance measure regarding Bangladesh

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) No 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014, (EU) and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) The recent military coup in Myanmar, which renders perspectives of an imminent resolution of the Rohingya crisis even more unlikely, has amplified frustration among Rohingya refugees who have suffered and fled violence in Myanmar. At the same time, misconceptions and disinformation regarding international justice have fuelled tensions in refugee camps in Bangladesh. Enabling Rohingya refugees to better understand and pursue their legal rights has been identified as an important factor to address the crisis and prevent a potential exacerbation of tensions and violence in the Rohingya refugee camps. The present situation makes it necessary to adopt an exceptional assistance measure regarding Bangladesh.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to mitigate tensions and conflict among Rohingya refugees related to misconceptions and disinformation about their legal rights in order to remedy exceptional and unforeseen situations as referred to in Article 4(4) point (a) of Regulation (EU) No 2021/947.

- (5) In accordance with points (e), (m), (n) and (p) of Annex IV, paragraph 1, of Regulation (EU) No 2021/947, the activities set out in this Decision will enable community activists and leaders among the refugees to raise awareness within their communities of international justice mechanisms for all and in particular for women and marginalised groups; decrease misconceptions and counter disinformation on international justice mechanisms amongst refugees; support and assist refugees in the defence of their legal rights; and enable access to gender-sensitive and trauma-informed legal assistance, as well as psychosocial support.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) No 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an adequate and effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) No 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Bangladesh. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.
- (11) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.
- (12) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) No 2021/947,

HAS DECIDED AS FOLLOWS:

Article 1

The maximum Union contribution for the implementation of the measure for 2021 is set at EUR 1 500 000, and shall be financed from the appropriations entered in the budget line 14 02 03 10 of the general budget of the Union.

If the implementation of this measure or any of its components is suspended owing to 'force majeure' or circumstances beyond the control of the contracting authority and its implementing partner, the period of suspension shall not be taken into account for the calculation of the duration of the implementation of this measure.

Article 5
Flexibility clause

Cumulated changes to the allocations of the maximum Union contribution not exceeding 20 % of the contribution set in the first paragraph of Article 2 of this Decision, or cumulated changes to the allocations of specific actions not exceeding 20 % of that contribution, as well as extensions of the implementation period shall not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046 where those changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph. Those changes shall be applied in accordance with the principles of sound financial management and proportionality.
