# COMMISSION IMPLEMENTING DECISION

of 14.6.2024

## on an exceptional assistance measure regarding Cameroon

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009<sup>2</sup>, and in particular Article 23(6) thereof,

Whereas:

- (1) Cameroon faces serious peace and stability challenges, including the persistent terrorist threats from Boko Haram and Islamic State West Africa Province in the Far North region, within the Lake Chad Basin. The Far North region is historically characterised by environmental and development challenges, lack of basic services, ineffective governance, mistrust of security forces and episodes of inter-communal violence, factors that have contributed to creating fertile ground for the recruitment of vulnerable persons into non-state armed groups. A wide range of individuals are associated with Boko Haram and Islamic State West Africa Province. While some progress has been made, deficits in the formal process to support ex-associates and communities have resulted in unregulated and ineffective processes of return. There is a need to support formal channels for reintegration of ex-associates as well as community engagement in areas ex-associates are known to be returning to independently and to offer them viable alternatives to terrorist and other criminal activities. The present situation makes it necessary to adopt an exceptional assistance measure regarding Cameroon.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.

<sup>2</sup> OJ L 209, 14.6.2021, p. 1.

- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to strengthen avenues towards long term peace in Cameroon's Far North region through successful reintegration of ex-associates, strengthening communities of return and prevention of (re-)recruitment, in order to remedy exceptional and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.
- (5) In accordance with point (h) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will support governmental entities to strengthen processes for the reintegration of ex-associates in the Far North region of Cameroon and strengthen social cohesion, community acceptance and reduction of stigmatisation of ex-associates that are either already based within communities or may return following formal reintegration processes.
- (6) The effectiveness of the Union response to the situation referred to in recital (1) depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Cameroon. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) In order to provide specialised support to reintegration processes in Cameroon's Far North Region, it is necessary to use indirect management for the implementation of the measure.
- (10) The Commission is to ensure a level of protection of the financial interests of the Union with regard to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation<sup>4</sup> and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) thereof before a contribution agreement can be signed.
- (11) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (12) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
