COMMISSION IMPLEMENTING DECISION

of 3.8.2022

on an exceptional assistance measure regarding Ukraine

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012¹, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009², and in particular Article 23(6) thereof,

Whereas:

- (1) Over five months after the start of the unprovoked and unjustified Russian aggression against Ukraine, one third of the Ukrainian population has been forced to leave their homes. This includes a large share of the approximately 6.84 million Ukrainian school children, of which 2 million have fled the country and 2.5 million are internally displaced. Their education and their psycho-social development is disrupted due to displacement, insecurity and violence, as well as the destruction of school infrastructure, and the use of public buildings as temporary accommodation for internally displaced persons. In addition, children, adults and the elderly have been affected by conflict-related sexual violence. In addition to the physical and psychological injury and hardship resulting from sexual violence in conflict, the situation of victims is further aggravated by stigmatisation. The present situation makes it necessary to adopt an exceptional assistance measure regarding Ukraine.
- (2) In order to ensure the implementation of the measure, it is necessary to adopt a financing decision. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (3) The planned assistance is to comply with the conditions and procedures set out by the restrictive measures³ adopted pursuant to Article 215 TFEU.
- (4) The objective of the measure set out in this Decision is to support access to education and support to victims of sexual violence in Ukraine in order to remedy exceptional

and unforeseen situations as referred to in Article 4(4)(a) of Regulation (EU) 2021/947.

- (5) In accordance with points (b), (e), (f), (l) and (m) of Annex IV, paragraph 1, second paragraph of Regulation (EU) 2021/947, the activities set out in this Decision will support children's access to education and provide assistance to victims of sexual violence.
- (6) The effectiveness of the Union response to the situation referred to in recital 1 depends on the rapid and flexible implementation of an exceptional assistance measure of limited duration in accordance with Article 23(6) of Regulation (EU) 2021/947.
- (7) The measure provided for in this Decision is complementary to assistance provided under other Union short-term or long-term external assistance instruments. No fully adequate response can be provided under those instruments to the specific needs being addressed. Therefore, an effective response is required to enable early action in accordance with Article 4(4) of Regulation (EU) 2021/947.
- (8) The measure provided for in this Decision is consistent with the Union strategic policy framework for Ukraine. Synergies and complementarities are expected with other Union interventions, as detailed in point 7 of the Annex.
- (9) In order to adequately respond to the needs in access to education and provide support to victims of sexual violence in Ukraine, it is necessary to use indirect management for the implementation of the measure.
- (10) The Commission is to ensure a level of protection of the financial interests of the Union with regard to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation⁴ and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) thereof before a contribution agreement can be signed.
- (11) The Commission should authorise the eligibility of costs as of a date preceding that of the submission of a grant application or a proposal, which is prior to the date of adoption of this Decision, for reasons of extreme urgency in crisis management aid or in situations of imminent or immediate danger to the stability of Ukraine, including by an armed conflict, where an early engagement of the Union may prevent an escalation.
- (12) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (13) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (14) In order to allow for flexibility in the implementation of the measure, it is appropriate to define changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (15) The European Parliament and the Council have been informed of the exceptional assistance measure to be adopted by this Decision, in accordance with Article 25(3) of Regulation (EU) 2021/947.

⁴ Except for the cases set out in Article 154(6) of the Financial Regulation, where the Commission may decide not to require an ex-ante assessment.
